

Colorful Math Calculator with Diagrams

Perform **Factorial**, **Power**, and **Square Root** calculations with colorful bar charts.

Factorial Calculator with Diagram

Enter a non-negative integer (0 or more):

- +Calculate Factorial

Power Calculator with Diagram

Enter the base (a):

- +

Enter the exponent (b):

- +Calculate Power

Square Root Calculator with Diagram

Enter a positive number:

3.00

- +

Calculate Square Root

 $\sqrt{3.0} = 1.7321$
